

## **Get Together in Memory of Margaret Crate, July 24th**

Margaret Crate passed away on April 25th, 2020 during COVID restrictions. Though her family received many cards and condolences from her friends and family members, and we were comforted by the wishes of our friends, we never had the opportunity to gather friends and family in her memory. We would like to invite those who knew and loved her and for whom it is convenient, to meet with the family at the Pat Parker Pavilion at Sandy Bottom Nature Park in Hampton, VA from 1 to 4 PM on Saturday, July 24th. Come and celebrate her life, and enjoy the kind of beautiful outdoor setting that she cherished.
