Greetings A.T. Clubs -

The CPR and WFA course taking place at the Volunteer Trail Camp at Sugar Grove, VA from April 17th to April 19th is on the books and registration is open. Please share with your Club volunteers, especially those folks who are certified sawyers, work trip leaders, etc.

For those of you who are new to WFA courses, here’s the lowdown:
• The 16- to 20-hour Wilderness First Aid course is designed to introduce outdoor enthusiasts and individuals working in remote locations to wilderness medicine principles.
• Learn how to improvise equipment, deal with challenging environments, and act with confidence.
• Classroom lectures and demonstrations are combined with realistic scenarios where mock patients will help you integrate your learning.

Course Details

Cost:
• A.T. Volunteers: WFA & CPR - $70; WFA - $55, CPR - $15 (Course is deeply discounted for A.T. & Club volunteers)
• Non-A.T. Volunteers: WFA & CPR - $226; WFA - $176, CPR - $50

Space is limited in this course - there are 30 open spots. Registration will be open to only A.T./Club volunteers until late March – I want to maximize the number of Club participants. If spots are open at the end of March, this course will be opened up to the public to try and fill the class.

Date & Time:
CPR: Friday, April 17, 6-9pm
WFA: Saturday, April 18, 8am-5pm (WFA Day One)
Sunday, April 19, 8am-5pm (WFA Day Two)

Course Address: Volunteer Trail Camp, MRNRA Work Center
609 Flat Ridge Rd, Sugar Grove, VA 24375

Course Logistics:
Food: All participants will be responsible for their own food and meals. Participants will have full access to the camp kitchen – fridges, utensils, pots & pans, stoves, etc. will be available for your meal prep. With up to 30 participants, the kitchen might get busy so be flexible and plan to bring a backpacking stove and a cooler with ice in case there isn’t enough fridge space.

For folks looking to dine out for dinner, there are several restaurants in Marion, VA – a 20 minute one-way drive away.

Lodging: Participants are invited to use the Camp Pods – uninsulated, and unheated rustic structures that have electricity and lights with twin beds and mattresses (bedding not provided). Participants who use the Pods may have to share the space with another participant. Participants also may bring their tent and set up anywhere on the lawn. If you intend on using a camp pod, please let Josh know so he can reserve a spot for you.

For folks not wanting to camp or stay at Camp, there are several hotels/motels in Marion, VA – a 20-minute one-way drive away.

Participants may arrive anytime on Friday, April 17.
**Other Camp Details**

**Bathhouses:** Two bathhouses are at Camp – one male, one female – that will be available for use. They each have laundry, toilets, and showers.

**Pavilion:** The pavilion will be used as classroom space during the CPR and WFA courses, but during off-hours the pavilion will be available. Pavilion has a pool table, ping-pong table, wifi, comfy hangout space, woodstove, and tv with DVD’s.

***All Participants Are Responsible for Cleaning Up After Themselves in the Pods, Kitchen, Bathhouses, and Pavilion***

**How To Register if Interested:**

- Contact Josh Kloehn – jkloehn@appalachiantrail.org or 540-904-4391
  - Provide best phone number, and mailing address
- Once you contact me, I’ll send you the course paperwork and forms for you to complete and return to me.
- Participants will mail a check for payment (make it out to ATC) to:
  - ATC-VARO
    - Attn: Josh Kloehn
    - 416 Campbell Ave SW, Suite 101
    - Roanoke, VA 24016

If you’ve got any questions, let me know!
