This four-day event is the return of the biennial gathering of the Appalachian Trail community. Plans include up to 40 guided hikes, 20 educational workshops, and 10 excursions throughout the Appalachian Mountains of Northeast Tennessee. Planned non-hiking excursions, including mountain biking, rafting, paddling, howling with the wolves, caving, and learning more about our history and culture. Exhibitors will include outdoor and hiking vendors, guides, businesses, stewards, artisans, and other enthusiasts.
